**The Staten Island Handspinners and Weavers Guild** has met regularly on the Island since 1983. We have approximately 25 members, including artists and professionals. Our Guild is open to all who are interested in the fiber arts, especially, spinners, weavers, knitters and crocheters. Our meetings are held the **3rd Tuesday** of the month at Historic Richmondtown, 441 Clarke Avenue, **P.S. 28 School Building**, Staten Island (at the extreme right of the parking lot—stairs down to the basement—*weather permitting*).
